

Recyclability Statement

EASYCONNECT steel mesh cable trays exclusively manufactured by VALDINOX contain between 85% and 100% recycled steel accredited by our wire supplier through its Global EPD certificate issued by AENOR with number 001-001-06 renewal 1

VALDINOX recycles 100% of the steel waste generated during the tray manufacturing process through an authorized waste manager with environmental identification number NIMA 3900004945.

Sra. Carmen Valdés Ruiz
Directora general VALDINOX S.L.
